<sup>1</sup> OJ L 79, 24.3.2005, p. 1.

This deliverable contains the summary of dissemination materials produced during the period May 2009 – April 2010 within the project Plan4all.

These include website, newsletters, posters, flyers and online Plan4all Forum.

## Web site

The Plan4all website is maintained by UWB. It uses MediaWiki - server-based software which is licensed under the GNU General Public License (GPL).

The project web site is accessible at: <http://www.plan4all.eu>.

The MediaWiki instance serves public information (project summary, consortium, objectives, status of the project, deliverables, events and contact information) as well as non public (internal) information, where project document management and exchange coordination is facilitated.

The website is regularly updated with news, events, newsletters and deliverables. The overall design is being improved. See the main webpage in the following Figure 1.

The screenshot shows the Plan4all Main Page, which is a MediaWiki instance. The page title is "Main Page" and the subtitle is "European Network of Best Practices for Interoperability of Spatial Planning Information". The page features a navigation menu on the left with sections for "public" (HOME, About the Project, Geoportals, Partners & Links, Deliverables, News & Events, Newsletters, Glossary, Contact) and "internal" (Project Events, Partners, Management, Administration & DoW, Communication, Work Packages, Deliverables, Dissemination, Library, WIKI Rules). There is also a search box and a toolbox with links like "What links here", "Related changes", "Upload file", "Special pages", "Printable version", and "Permanent link".

The main content area includes:

- News & Events:** A list of recent news items, including "Deliverable D3.1 Analysis of National Requirements on Spatial Planning Metadata was published" and "20.04.2010 Sharing European Geographic Data".
- Upcoming Events:** A list of upcoming events, including "22.04.2010 1st European Address Conference" and "29.-30.04.2010 4th GEO European Projects Workshop".
- About the project:** A section with a diagram showing the project structure and a list of links: "Project Summary", "Main Objectives", "Work Packages", and "Geoportals".
- Partners:** A section with a map of Europe and a list of links: "Project partners", "Affiliated partners", and "Links with projects".
- Deliverables:** A section with a list of deliverables, including "NEW Analysis of National Requirements on Spatial Planning Metadata PDF", "INSPIRE Requirements Analysis PDF", "User Analysis Report PDF", "Analysis of Innovative Challenges PDF", and "Cluster of Leading Organisations ...PDF".
- Other ...:** A section with links to "Plan4all Geoportal", "Glossary", "Newsletters", "Online Plan4all Forum", and "Contact".

At the bottom of the page, there are links to national flyers for various countries: Czech, English, Italian, Latvian, German, Spanish, French, Maltese, Bulgarian, Greek, and Romanian.

## Newsletters

The Plan4all consortium published 2 Plan4all Newsletters during the first period (May 2009 – April 2010). The first one in the form of Plan4all Flyer (see Annex I). The second newsletter

contains the overall objectives of the project, work-plan, summary of the WP2 results, description of the consortium and upcoming events (see Annex II). The next Newsletter is planned for May 2010.

All newsletters are distributed through the Plan4all network as well as the Plan4all mailing list for users and stakeholders (info@plan4all.eu).

## **Plan4all poster**

A Plan4all poster was produced and presented during several conferences including INSPIRE Conference 2009 (Belgium), Get INSPIREd (Czech Republic), AMFM Conference (Italy), 4<sup>th</sup> GEO European Projects Workshop (Greece).

## **Multilingual Plan4all Flyers**

2 x A4 page flyer was prepared in English version by UWB and then translated into all national languages of the Plan4all partners. These are published on the Plan4all website and they are used to disseminate the project in partner's countries.

The English version of the Flyer is in Annex III.

## **Online Plan4all Forum**

The online Plan4all Forum was set up in the frame of the INSPIRE Forum. All project deliverables are disseminated through this Forum and it serves as a platform for discussion.

The guide how to access the Forum is in Annex IV.
