Final Comments & Questions

This thesis is a result of a very interesting project, which successfully combines enthusiasm for the chosen theme and scholarly approach. As a supervisor, I also appreciate the author's mature critical judgment, independence and conscientious approach throughout the writing process. Fiction and non-fiction are skillfully blended in the text of the thesis, which also excels in logical and transparent presentation of the issues. As a bachelor thesis, the work deserves, in my view, the grade excellent.
