Alter-rockový zpěvník pro kytaru

Nejlepší je umět písničky i s akordama nazpaměť, to je jasné.

Ale je tolik skvělých písniček a není to možné si všechny pamatovat!

Proto jsem dala dohromady zpěvník alter-rockových písniček, abyste mohli rozšířit svůj repertoár. Akordy jsou provázeny mými ilustracemi, které Vám třeba pomůžou vystihnout atmosféru písniček.

Přeju Vám příjemné hraní!

When you were here before

Couldn't look you in the eye

You're just like an angel

Your skin makes me cry

You float like a feather

In a beautiful world

I wish I was special

You're so fuckin' special

But I'm a creep

I'm a weirdo

What the hell am I doing here?

I don't belong here

I don't care if it hurts

I wanna have control

I want a perfect body

I want a perfect soul

I want you to notice

When I'm not around

You're so fuckin' special

I wish I was special

But I'm a creep

I'm a weirdo

What the hell am I doing here?

I don't belong here, oh, oh

She's running out the door

She's running out

She run, run, run, run

Whatever makes you happy

Whatever you want

You're so fuckin' special

CLEOPATRA

capo 1

G
I was Cleopatra, I was young and an actress

When you knelt by my mattress, and asked for my hand

G
But I was sad you asked it, as I laid in a black dress

D
With my father in a casket, I had no plans, yeah

G C G
And I left the footprints, the mud stained on the carpet

D
And it hardened like my heart did when you left town

G C G
But I must admit it, that I would marry you in an instant

D
Damn your wife, I'd be your mistress just to have you around

G D C G C G D
But I was late for this, late for that, late for the love of my life

G D C G C G D
And when I die alone, when I die alone, when I die I'll be on time

G C G
While the church discouraged, any lust that burned within me

D
Yes my flesh, it was my currency, but I held true

G C G
So I drive a taxi, and the traffic distracts me

C G D
From the strangers in my backseat, they remind me of you

G D C G C G D
But I was late for this, late for that, late for the love of my life

G D C G C G D
And when I die alone, when I die alone, when I die I'll be on time

Em G C D Em
And the only gifts from my Lord were a birth and a divorce

G Em C D G
But I've read this script and the costume fits, so I'll play my part

G C G
I was Cleopatra, I was taller than the rafters

D
But that's all in the past love, gone with the wind

G C G
Now a nurse in white shoes leads me back to my guestroom

C G
It's a bed and a bathroom

D
And a place for the end

G D C G C G D
I won't be late for this, late for that, late for the love of my life

G D C G C G D
And when I die alone, when I die alone, when I die I'll be on time

DEMONS

capo 3

When the days are cold
And the cards all fold
And the saints we see
Are all made of gold
When your dreams all fail
And the ones we hail
Are the worst of all
And the blood's run stale

I wanna hide the truth
I wanna shelter you
But with the beast inside
There's nowhere we can hide
No matter what we breed
We still are made of greed

This is my kingdom come
This is my kingdom come

When you feel my heat
Look into my eyes
It's where my demons hide
It's where my demons hide
Don't get too close,
It's dark inside
It's where my demons hide
It's where my demons hide

At the curtain's call
It's the last of all
When the lights fade out
All the sinners crawl
So they dug your grave
And the masquerade

Will come calling out
At the mess you've made

Don't wanna let you down
But I am hellbound
Though this is all for you
Don't wanna hide the truth
No matter what we breed
We still are made of greed
This is my kingdom come
This is my kingdom come

When you feel my heat
Look into my eyes
It's where my demons hide
It's where my demons hide
Don't get too close
It's dark inside

It's where my demons hide
It's where my demons hide

They say it's what you make
I say it's up to fate, it's woven in my soul
I need to let you go
Your eyes, they shine so bright
I wanna save that light, i can't escape this now
Unless you show me how

When you feel my heat
Look into my eyes
It's where my demons hide
It's where my demons hide
Don't get too close,
It's dark inside
It's where my demons hide
It's where my demons hide
