Final Comments & Questions

As the above evaluation indicates, this is an exceptional thesis, which confirms the author's research and analytical skills. I was pleased that Nelli, as a fan of Jane Austen, was willing to venture beyond her most popular mature novels and to discover not only her early writings but e.g. also Laclos's *Les Liaisons dangereuses*. As a supervisor, I have already expressed my views in the process of writing and so there is little to add than that the suggested grade is excellent.
